THERE IS A TIME IN EVERY MAN'S EDUCATION WHEN HE ARRIVES AT THE CONVICTION THAT ENVY IS
ignorance; that imitation is suicide; that he must take himself for better, for worse, as his portion; that though
the wide universe is full of good, no kernel of nourishing corn can come to him but through his toil bestowed on
that plot of ground which is given to him to till. The power which resides in him is new in nature, and none but he
knows what that is which he can do, nor does he know until he has tried. Not for nothing one face, one character,
one fact, makes much impression on him, and another none. This sculpture in the memory is not without preëstab-
lished harmony. The eye was placed where one ray should fall, that it might testify of that particular ray. **We but
half express ourselves, and are ashamed of that divine idea which each of us represents.** It may be safely trusted as proportionate and of good issues, so it be faithfully imparted, but God will not have his
work made manifest by cowards. A man is relieved and gay when he has put his heart into his work and done his
best; but what he has said or done otherwise shall give him no peace. It is a deliverance which does not deliver. In
the attempt his genius deserts him; no muse befriends; no invention, no hope. **Trust thyself: every heart
vibrates to that iron string.** Accept the place the divine providence has found for you, the society of your
contemporaries, the connection of events. Great men have always done so, and confided themselves childlike
to the genius of their age, betraying their perception that the absolutely trustworthy was seated at their heart,
working through their hands, predominating in all their being. And we are now men, and must accept in the high-
est mind the same transcendent destiny; and not minors and not infants in a protected corner, not cowards fleeing
before a revolution, but guides, redeemers, and benefactors, obeying the Almighty effort, and advancing on Chaos
and the Dark. What pretty oracles nature yields us on this text, in the face and behavior of children, babes, and
even brutes! That divided and rebel mind, that distrust of a sentiment because our arithmetic has computed the
strength and means opposed to our purpose, these have not. Their mind being whole, their eye is as yet uncon-

OBSERVE, I DO NOT MEAN TO SUGGEST THAT THE CUSTOM OF LYING HAS SUFFERED ANY DECAY OR INTERRUPTION—NO, FOR THE LIE, AS A VIRTUE, A PRINCIPLE, IS ETERNAL; THE LIE, AS A RECREATION, A SOLACE, A REFUGE IN TIME OF NEED, THE FOURTH GRACE, THE TENTH MUSE, MAN'S BEST AND SUREST FRIEND, IS IMMORTAL, AND CANNOT PERISH FROM THE EARTH WHILE THIS CLUB REMAINS. MY COMPLAINT SIMPLY CONCERNS THE DECAY OF THE ART OF LYING. NO HIGH-MINDED MAN, NO MAN OF RIGHT FEELING, CAN CONTEMPLATE THE LUMBERING AND SLOVENLY LYING OF THE PRESENT DAY WITHOUT GRIEVING TO SEE A NOBLE ART SO PROSTITUTED. IN THIS VETERAN PRESENCE I NATURALLY ENTER UPON THIS

All things are double, one against another. Tit for tat; an eye for an eye; a tooth for a tooth; blood for blood; measure for measure; love for love.

All things are double, one against another. Tit for tat; an eye for an eye; a tooth for a tooth; blood for blood; measure for measure; love for love.

UNDER A GOVERNMENT WHICH IMPRISONS UNJUSTLY, THE true place for a just man is also a prison. Unjust laws exist: shall we be content to obey them, or shall we endeavor to amend them, and obey them until we have succeeded, or shall we transgress them at once? Men, generally, under such a government as this, think that they ought to wait until they have persuaded the majority to alter them. They think that, if they should resist, the remedy
